PREVENT POLICY

COUNTER TERRORISM STRATEGY

CONTEST has four elements:

- **Pursue:** to stop terrorist attacks
- **Prevent:** to stop people becoming terrorists or supporting violent extremism
- **Protect:** to strengthen our protection against terrorist attack
- **Prepare:** where an attack cannot be stopped, to mitigate its impact

Within this overall framework the new **Prevent** strategy will specifically:

- **respond to the ideological challenge of terrorism and the threat we face from those who promote it;**
- **prevent people from being drawn into terrorism and ensure that they are given appropriate advice and support; and**
- **work with sectors and institutions where there are risks of radicalisation which we need to address.**

The basic British values

1. Democracy
2. The rule of law
3. Individual liberty
4. Mutual respect and tolerance for those of different faiths and beliefs.

Channel is a programme which focuses on providing support at an early stage to people who are identified as being vulnerable to being drawn into terrorism. The programme uses a multi-agency approach to protect vulnerable people by:

- identifying individuals at risk
- assessing the nature and extent of that risk
- developing the most appropriate support plan for the individuals concerned
