

STUDENT INTERNET & MOBILE DEVICE AGREEMENT

Purpose

This agreement outlines the expectations, responsibilities, and acceptable use of mobile devices and internet access for students at GLOBAL. By signing, students confirm their understanding of the school's E-Safety Policy and agree to uphold a professional, respectful digital presence at all times.

Acceptable Use Guidelines

1. Use Devices Responsibly

- Only use mobile devices in lessons if and when instructed to do so by a teacher and for learning purposes (e.g. researching, photographing work for your portfolio).
- Keep mobile phones and personal devices **out of view** during lessons unless permission is granted, although they are not required to be switched off.
- Avoid recording or photographing anyone else without consent.

2. Stay Safe Online

- Only access approved websites and apps during school hours.
- Do not share personal information (full name, phone number, address, etc.) online.
- Never arrange to meet anyone you've only interacted with online. If somebody suggests this to you then you should immediately notify a member of staff.

3. Communicate Respectfully

- Always use appropriate language when messaging or posting online, whether inside or outside school.
- Cyberbullying of any kind is strictly prohibited and will be treated as a serious offence.

4. Use School Systems Appropriately

- Do not download unauthorised apps, software, or media onto any school-owned devices, or any personal devices which are specifically and exclusively used for learning.

2 Your Responsibilities

- **Be Alert:** If you see something online that is worrying, inappropriate, or makes you feel uncomfortable, report it immediately to a staff member.
- **Be Accountable:** Understand that the school may monitor device use to keep everyone safe. Inappropriate use may result in loss of privileges or further disciplinary action.
- **Be Respectful:** Treat all digital tools and platforms as extensions of the classroom—professional behaviour applies both online and offline.

Agreement

I understand and agree to follow the guidelines above and the expectations outlined in the school's E-safety Policy. I understand that failing to meet these expectations may lead to disciplinary action, including restricted access to devices, parent contact, or other sanctions as appropriate.
